BUSINESS CHALLENGE

The Airport Executive Park (AEP) location provides a campus atmosphere set within a mature, award-winning 35 acre park offering approximately 700,000 sq. ft. of office space, 1,500 sq. ft. restaurant and a 4,500 sq. ft. daycare facility. Bentall Kennedy were seeking a means to improve the recycling and waste management efficiency of these spaces.

HOW WE HELPED

1. Installed container sensors in all waste containers at the Airport Executive Park
2. Managed the RFP to switch waste hauling vendors
3. Analyzed container fill level data to drive overall cost reduction at the property while maintaining a clean operating environment.

RESULTS

Stage 1 service adjustments **reduced** monthly costs by **\$289**

Stage 2 service adjustments **reduced** monthly costs by a further **\$537**

TESTIMONIAL
